

Marc Harvey

Marc Harvey is a trailblazer in airbrush innovation, makeup artistry, and beauty education. With over 18 years in the industry, he has worked with leading brands like *L'Oréal* and *Bobbi Brown*, traveling as a brand ambassador and launching best-selling products at major events like *The Beyoncé Experience Tour*.

A pioneer in live beauty sales, Marc became one of the first African-American men to present on *Home Shopping Network* and *The Shopping Network Canada*. He later served as *Global Artist and Brand Ambassador* for *Luminess Air Cosmetics*, achieving record-breaking sales. His expertise has taken him worldwide, training artists in *Paris, Italy, Hong Kong, Taiwan, and Japan*.

Marc co-founded *Elementtwo PRO*, a professional airbrush cosmetics line used in *The Hunger Games* by three-time Oscar-winning artist *Ve Neill*. Inspired to bring airbrush makeup to everyday consumers, he launched *Marc Harvey Beauty*, featuring the *Exclusive Air ULTRA HD* foundation line, blending advanced skincare with flawless coverage. He also co-created *MySkincAir Organics*, a spa-grade skincare brand with patent-pending A.I.R. Technology.

His artistry has been showcased on runways for *Baby Phat, Herve Leger, and Project Runway*, in major publications like *Vanity Fair, Elle, and Allure*, and on networks including *NBC, BET, Lifetime, and OWN*. His celebrity clientele includes *Yolanda Adams, Tamar Braxton, Susan Lucci, Vanessa L. Williams, and Jennifer Coolidge*.

Marc continues to shape the beauty industry through education, innovation, and a passion for enhancing natural beauty.
